

	Monday	Tuesday	Wednesday	Thursday	Friday
Maths	<p>Number bonds of 10 Write all the ways that you can make 10 1+9 etc.. Number bonds of 20 18+2 etc.. Could you write numbers 1-20 on pieces of paper, turn them all over and play a game finding pairs that make 10 or 20.</p>	<p>Capacity Find different containers from around the house that hold liquid. Write down or draw the objects and write how much liquid they hold. (litres and millilitres) How many containers did you find? Which container held the most liquid? What held the least? (Search BBC bitesize Capacity, for videos and ideas)</p>	<p>Capacity Use a measuring jug to experiment with filling different containers. How much water did guess they would hold? Were you correct? Have some fun filling some containers and measuring how much water they hold?</p>	<p>Fractions Search BBC Bitesize KS1 fractions, for videos and activities on fractions. What things at home can you divide into half or quarters? Can you show us some photos of things you have found on See Saw?</p>	<p>Times table Revision. Keep practising your times tables. 2,5 and 10. Move onto 3 and 4 times table when you feel ready.</p>
Read Write Inc	<p>Sound of the day- ire</p> <p>Fire Hire wire</p> <p>Can you write the ire words? Can you put them in a sentence?</p>	<p>Sound of the day- ire</p> <p>Bonfire inspire</p> <p>Can you write the ire words? Can you put them in a sentence?</p>	<p>Sound of the day-ear</p> <p>hear dear fear</p> <p>Can you write the words? Can you put them in a sentence?</p>	<p>Sound of the day- ear</p> <p>Near Year ear</p> <p>Can you write the words? Can you put them in a sentence?</p>	<p>Practise any sounds that you found tricky this week!</p>

Literacy: Tiddler by Julia Donaldson

Read the book or listen to the story here <http://www.youtube.com/watch?v=qcTQADUywZY>

Tiddler told lots of stories. Can you tell your favourite story to your family? You could act it out and get them involved?

Could you create an underwater scene? You could decorate the inside of a cardboard box. What would you see underwater? What colours could you use? What fish and creatures would you see?

Write a list of things that you might see underwater.

Could you write a short description of an underwater scene? What describing words could you use? What can you see? What colours and sizes are the fish and creatures?

Other Areas of the curriculum

Check the Topic Activity ideas that we put on the website and on see saw last week.

Try and make sure that you are getting some fresh air and exercise every day.

Keep being amazing! We look forward to seeing all your lovely work on See Saw this week. Keep posing your lovely photos.

We miss you but will hopefully see you very Soon.
