Literacy: If you have a copy read *Pirates Love Underpants* by Claire Freedman and Ben Court- or listen on YouTube

<https://www.youtube.com/watch?v=ADnAGBWlqgE>

Have a go at some of these activities:

Could you hide something in your house and create a treasure map for your family to find it?

Could you write your own pirate story? What are they searching for? Where do they find it? Is there a bad person in the story? What happens in the end? We would love to hear your ideas. Maybe you could read your story to us on See Saw?

Other Areas of the curriculum

Physical Development: Play a ball game with your family. Practice throwing, catching, aiming and kicking balls.

Well-being: Write or talk about a list of things that make someone a good person? What do your friends do to make you smile?

Expressive/creative arts: Design a pirate ship. We look forward to seeing your creations.

Keep working hard and hopefully see you soon Year 2 xxx
