

Hello Year 5,

We really are missing you and hope that you are enjoying spending time at home with your families. The next 2 weeks are the Easter holidays, although everything is obviously a bit different this year... Below are some fun ideas that might help to keep you busy during the first week! Remember you can send us some pictures of anything you try to our school Twitter account @gladstonebarry. Stay safe and keep smiling! Happy Easter!!

Mrs Gullick, Miss Constable and Mr Tynan x

**Mon 6<sup>th</sup>  
April**

**Create a 'thank you' poster** for someone who helps you and your family. Maybe for the postman, or bin collectors? Who else has been really helpful or kind to you? There are lots of lovely ideas if you search for 'Thank you posters' on Google. Here is one idea I like!

**Tues 7<sup>th</sup>  
April**

**Hunt for signs of spring. Make a sketch.** Go outside, into your garden or somewhere safe. If you don't have an outdoor area, look out of your window! Make a list of what you can see or hear. Can you smell anything? Are there any blossom trees? Have you seen any insects or animals? Maybe you can see buildings or shops? Use your observational sketching skills from when we sketched the fruit bowl in class. Sketch what you can see. Here is an example! You can add colour if you want to.

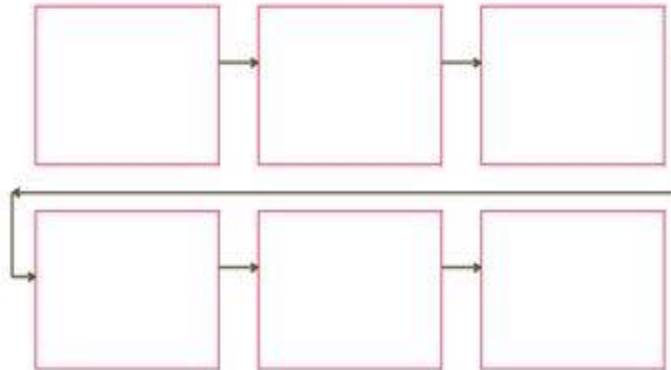

**Weds 8<sup>th</sup>  
April**

**Watch this video of the Easter story.** Draw a story/flow map to sequence the events. (I have included a picture to remind you what a flow map looks like!) Draw pictures and write some sentences to go with them. Remember to add adjectives and connectives to make your sentences exciting!

**FLOW MAP--** Use with this flow map to map the sequence of events as you read the selected text. Remember to record events that are significant (including when new characters come into story or when action moves the story)

Name: \_\_\_\_\_ Selection Title: \_\_\_\_\_

**Thurs 9<sup>th</sup>  
April**

**Count the Easter items in the box below.** Is there a way to make it any easier? Can you group them in 2's or 5's? Can you create your own Super scatter puzzle for someone else in your home to solve?

### Easter Super Scatter (A)

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Count how many of each item.

Lilies

Lambs

Bunnies

Hot Cross Buns

Baskets

Chicks

Old Rugged Crosses

Easter Eggs

Butterflies

Happy Easter from Math-Drills.com!

Friday  
10<sup>th</sup> April

Create an Easter poem/song. Why don't you perform your poem to your family? You could turn the poem into a rap!! Include some actions or signs to go with it. Can you ask your family to get involved?

I've also attached some idea of some Easter crafts you might like to try using items from around your home. Most importantly - have fun!!
